

## International Spa Pilot® Warranty

This Limited Warranty applies to the Spa Pilot® purchased through an authorized dealer/distributor and installed outside the contiguous United States after Jan 1, 2014. This warranty shall begin upon the date of purchase as verified by the owner/operator's proof of purchase documents. In lieu of owner documents, the warranty initiation date shall be one hundred twenty (120) days from the date of manufacture (as verified by factory production records). AquaCal AutoPilot, Inc. (hereafter referred to as: "Manufacturer") warrants the following models (hereafter referred to as: "product"), to the original owner and installation site, to be free of material or workmanship defects for a limited term.

### One Year (Part Only)

- 1) This warranty covers parts to repair or replace component failures due to workmanship
- 2) This warranty does not include transportation, freight or duties charges for equipment or component parts shipped to or from the Manufacturer.
- 3) At its sole discretion, the Manufacturer reserves the right to replace defective parts with new or refurbished replacement parts.
- 4) At the option of the Manufacturer, the Owner may be required to return the product to the factory, freight prepaid, to provide warranty service.
- 5) Claims for warranty reimbursement must have prior authorization by the Manufacturer.
- 6) The use of parts other than genuine Manufacturer parts will void this limited warranty.
- 7) This warranty is applicable only if the product has been installed, operated, and maintained expressly and completely in accordance with the product's Owner/Installation manual.
- 8) This warranty is in lieu of all other warranties, expressed or implied, written or oral.
- 9) Failure of Customer to properly maintain spa water chemistry can negatively affect the performance of the product and cause equipment deterioration.
- 10) Customer hereby releases Manufacturer from all claims for damages to product, spa plaster, liners, covers, metals in spa's, etc. due to improper water chemistry. Deterioration, discoloration or brittleness to product from external factors (such as equipment age, environmental conditions, sunlight, etc.) is not covered under this limited warranty.
- 11) The liability of the Manufacturer shall not exceed the repair or replacement of defective parts under the referenced limited warranty term and shall not include applicable consumables.
- 12) This warranty does not include damage due to freezing conditions, negligence or abuse, installations in corrosive environments or atmospheres, nor acts of God.
- 13) There are no implied warranties of merchantability or fitness for a particular purpose that apply to this product. Under no circumstances shall the Manufacturer be liable for any loss, damage, or injury, whether direct, consequential or incidental, arising out of the use or inability to use this product.
- 14) Each spa has its own individual requirements. This limited warranty does not warrant that this product will supply 100% of those requirements.
- 15) No dealer, distributor, or other similar person has any authority to make or extend any warranties or representations concerning Manufacturer's products beyond the express terms contained herein. Customer releases and holds Manufacturer harmless from any claims stemming from any unauthorized representations.
- 16) This limited warranty is for product installed in residential spas only. Installation and use in any other application voids this warranty unless specifically authorized by the Manufacturer.
- 17) The foregoing limited warranty gives the Customer specific legal rights that may vary from state to state, and accordingly, some of the listed conditions and exclusions may not apply to Customers living in certain states. Any dispute between Customer and Manufacturer will be settled by binding arbitration, conducted in Pinellas County, Florida, under the rules of the American Arbitration Association, and an award of attorney's fees and costs will go to the prevailing party.
